### a. January 14, 2021 Board Meeting

Chairman Zeis noted that the minutes for the January 14, 2021 regular meeting of the Board of Directors were previously circulated for review and comment. He asked if there were any comments for discussion to such minutes. Hearing none he requested a motion on this Agenda item.

Director Galloway made a motion to adopt the minutes, as written, of the January 14, 2021 regular Board meeting, which motion was then duly seconded by Director DeAnda. Director Collins then requested that the reference to C5 be deleted from the third paragraph on page 8 of the January minutes. The amended minutes were then passed with the unanimous vote of the Board.

### V. Chairman's Greeting: Matt Zeis

Chairman Zeis thanked the Board members in attendance for volunteering and being available for this meeting. Chairman Zeis then announced that Mario Castillo has resigned from the Board and as Chairman of the Oversight Committee. He noted that Director Castillo worked on the Policy and Procedures document which will govern how this organization will operate for years to come, and provided valuable guidance during the last Texas legislative session. He then announced that Curtis Lampley has also resigned from the Board of Directors after twelve years of service and as Chairman of the Program Committee. Directors Galloway and Johnson Rose thanked and complimented Curtis Lampley for his many years of service on the Board and committees.

Chairman Zeis then congratulated Director Galloway for receiving a distinguished service award from Mayor Turner as one of the Black History Month Honorees.

Chairman Zeis announced that pursuant to the Strategic Plan approved last month HLB re-organized its committees slightly. He informed the Board that there will now be five committees as follows:

- (1) Executive Committee
- (2) Finance Committee
- (3) Partnership Committee
- (4) Real Estate Acquisition Committee
- (5) Procedures and Oversight Committee

He then requested each of the newly appointed Board members to choose one or more committees to work on.

### VI. Committee Reports:

### a. Executive Committee: Matt Zeis, Chair

Chairman Zeis announced that the Executive Committee met last week to discuss the analysis of the Lot Maintenance Contract over the preceding 18 months and recommended that the Board approve an extension of the Lot Maintenance Contract with the current vendors at the current rate. The approval to extend the Lot Maintenance Contract is on today's meeting Agenda under item X(c).

### b. Finance Committee: Laurie Vignaud, Chair

Chairman Zeis noted that Ms. Vignaud was not present for today's meeting and therefore requested Mr. Gonzalez to report on the recent meeting of the Finance Committee.

Mr. Gonzalez addressed the Board and stated that at yesterday's meeting of the Financial Committee, the December 2020 financial position of the HLB was discussed and was determined to be in good standing with a strong cash standing. The Committee also discussed the acquisition of the two tracts of land comprising the former Yellow Cab site, which was the largest acquisition to date by the HLB.

Mr. Gonzalez then reminded the Board that the first key date with regard to the HLB Fiscal Year 2022 Budget will be on March 11, 2021 at the regular Board meeting wherein the

Board will be requested to approve the preliminary numbers for the Fiscal Year 2022 Budget as required by the operations agreement between HLB and the City of Houston. He noted that the Finance Committee also discussed the acquisition of two tracts of land comprising a portion of the former Yellow Cab site which is the largest land acquisition to date by the HLB.

### c. Program Committee: Curtis Lampley, Chair

Director Lampley reported that the Program Committee met on February 2, 2021 to discuss the update on the Round 3 Lot Sales, revisions to the Limited Alternative Land Use Program which was previously operated as the Right of First Refusal Program, and the Round 4 Lot Sales.

### 1. Update on Round 3 Lot Sales

Director Lampley reported that 23 lots have now closed with eight more anticipated to close this month.

# 2. Update and Recommendation to Establish a Limited Alternative Land Use Program

Director Lampley then stated that the Program Committee also has been working with HLB staff to create a revised program to address outstanding lots remaining from the previous Right of First Refusal Program. The details of the revised program will be provided under Agenda item X.b. for approval by the Board.

### 3. Update on Round 4 Lot Sales

Lastly, Director Lampley mentioned that the Program Committee is now working on assembling the lot sales for this round which will begin March 1, 2021 and include lots in Settegast to accommodate affordability.

### d. Partnerships Committee: Courtney Johnson Rose, Chair

Chairman Zeis requested Director Johnson Rose to report on the recent activities being pursued by the Partnerships Committee.

Director Johnson Rose stated that there would be no report for this meeting. She thanked the Board for passing the Subgrant Agreement with JPMorgan Bank Foundation last month.

### VII. President's Report: Anne Gatling Haynes, CEO/President

Ms. Haynes stated that the HLB is operating on all cylinders and wished everyone a happy Black History Month to learn more about black history in the United States. She then acknowledged Director Galloway for the Mayor's History Makers Award she received for her lifetime of volunteer service to the community. Director Galloway was nominated by the NAACP for this award. She then made a special mention to Director Lampley and offered him a seat at the offices of HLB for spending the most time in committee meetings of any Board member ever especially with regard to the audit of properties along with Director Marquéz. She

then thanked Director Castillo for his time and effort on the Policy and Procedures document which will remain a part of this institution.

Ms. Haynes announced that she was invited to participate in a nationwide convening of affordable housing providers and financing organizations to discuss best practices in providing affordable housing and ways to leverage different types of funding, including philanthropic and local investment dollars, to increase impact. The Lincoln Institute's Accelerating Community Investment Community of Practice meeting included people from all over the country and will have additional topic based meetings during the next year. In particular, through the workshop, HLB connected directly in a breakout group with Build Baton Rouge which is a land bank/redevelopment corporation with similar scale and engagement, and also with a representative of Texas State Affordable Housing Corporation.

Ms. Haynes informed the Board that the Center for Community Progress conducted another national conversation with land bank leaders on February 8, 2021, which focused on national legislation that has been introduced for a Land Bank Network.

She then stated that the HLB Year End Summary was distributed to over 1100 recipients on its mailing list, and received a 29% open rate, which is consistent with the newsletter sent out last summer. Based on conversations with the Board of Directors last November, and HCDD, HLB has advanced partnering with Houston LISC for a revolving acquisition loan by using HLB existing assets as collateral. This could be used in the NHDP program or for the HLB programs. HLB has received a formal letter of intent and "hard underwriting" is now underway. She noted that any formal loan received would need City Council and Board approval.

### a. Homeowner Report (Video)

Ms. Haynes then provided the Board with a video of Mr. and Mrs. Ray Menifee who live at 6809 Bethune in a house built by Crown Ridge/Phase II of IV. Ms. Jen Allison recently visited the Menifees and shot a video tour of their home. The Menifees purchased the house via the Standard Purchase Buyers (non CLT) Program. He is a retired military veteran and she is originally from the Virgin Islands and closed the purchase of their home on October 16, 2019. The Menifees did not believe they could afford a home but with the HLB affordable home programs they were able to purchase this house.

Ms. Haynes also provided the Board with a video tour of an HLB standard purchase house sold to Mr. and Mrs. Victor Cantu located at 6805 McWilliams. Ms. Jen Allison shot the video and mentioned that their son Asah Hugo read a flyer he found at the library and became informed of the HLB home purchase program. He brought the flyer to his parents and told them this is how we can buy a house. They purchased their new home under the Standard Purchase Buyers/Non CLT program on December 30, 2019.

Ms. Haynes mentioned that these videos may be added to the HLB website. Director Jackson stated that before the videos are uploaded onto the HLB website, a signed release from Mr. and Mrs. Victor Cantu and Mr. and Mrs. Menifee will need to be obtained and retained for the HLB records. Mr. Anderson stated that the City of Houston has a form of release that can be utilized by HLB.

# VIII. Mayor's Office/Complete Communities Report: Ex Officio Director Christa Stoneham

Director Stoneham noted that the three part "Designing for Impact: Building Hubs and Corridors in the Complete Communities" presented by AIA Houston and the National Organization of Minority Architects in partnership with the City of Houston's Complete Communities Initiative started last Tuesday. She thanked Director Collins for attending the first presentation among 300 others to hear about community led design. She noted that the community workshop will be held on February 20, 2021.

In connection with the revitalization strategy, the community designing initiative will be expanded to all of the Complete Communities, rather than the initial five communities, along with the Yellow Cab site recently acquired.

Director Stoneham announced that through the action planning process for Acres Homes it was agreed to move forward with the revitalization of Bethune Academy Middle School which will be converted into an economic development and workforce hub. This acquisition was passed last week by Houston City Council to purchase this property from the Aldine Independent School District. City Council also approved \$4 Million of CDC funds to order a Phase I report. The operator of this hub will be Houston Business Development, Inc. which will manage the facility located in Acres Homes and close to numerous HLB lots and homes developed in its affordable home programs. She stated that this hub should be a huge catalyst for the Acres Homes community.

### IX. Legislative Affairs Update and Introduction to Legislative Services Team: One World Strategy Group including Jeri Brooks and Josh Sanders

Ms. Brooks stated that she was more than excited for this opportunity to serve the HLB and work has already started in Austin which Josh Sanders will update the Board on regarding meetings held with legislators, the city of Houston, and the Governor's Office. She requested a document from the HLB Board of its member relationships for building teams, lobbying, advocating the issues, and engaging the Board.

Mr. Sanders stated that he would be reaching out to the Board to better understand the relationships the directors have with people in Austin. He noted that during the last legislative session Directors Lampley and Castillo attended hearings in Austin and gave written and verbal testimony to support the lank bank legislation.

Mr. Sanders noted that in 2007 the state passed land bank statutes for the city of Houston with a bracketed bill. LARA, the predecessor to the HLB, was created in 1999 prior to the Code, and has never operated under that section of the Code at the state level.

The proposal now is to scrap that section of the Code that the HLB has never operated under and doesn't use and replace it with the structure and powers the HLB currently operates under. This will provide clarity for the legislators and for HLB. In addition, there may be additional uses for land owned by HLB such as flood control, open space and food deserts which legislation is needed to dispose of that land and enter into partnerships and agreements with other organizations and individuals. Mr. Sanders stated that a similar bill will be filed this year along with the changes suggested by the Governor's Office. During the last legislative session S.B. 1918 was passed with the help of Carol Alvarado, however, the bill was held up in the House Committee process for further review and discussion at the request of the Governor's Office.

The Bill has to be revised to address the concerns of the Governor's Office and he will then begin moving the revised Bill through the process over the next couple of weeks. He will need the Board to tell of story of the Houston Land Bank to key legislators during this session. He is working on a new draft of the Bill but can send Director Galloway a copy of the bill passed during the last legislative session which will be the starting point for the new Bill.

### X. Board Action Items

a. Consideration and Possible Action to Accept Program Committee and Staff Builder Lot Selection Recommendation for a Round 3 Lot Sale Under the HLB Traditional Home Building Initiative [Address - HCAD# - Proposed Price (Builder) Listed Below]

### 1. 8414 Safeguard - 0761490010003 - \$73,459 (Cole Klein Builders)

Ms. Harris stated that this item covers the sale of 21,798 square feet comprised of three lots at 8414 Safeguard for \$73,459 to Cole Klein Builders for construction of six two-story townhomes to be sold to income-qualified purchasers. The Program Committee has recommended that approved builder Cole Klein Builders be awarded this 21,798 square foot lot (currently 3 lots under 1 HCAD) located in Sunnyside to build six 1,750 square foot two story townhomes. This development would require the larger lot to then be subdivided into 6 separate lots with their own separate HCAD tax account numbers. The total price would be \$73,459 for the entire lot, and after subdividing would equal \$12,243 per lot. Each town house would be sold for \$212,000. By subdividing this property, HLB will be able to double the number of affordable houses it can construct on these lots. The neighborhood is already an area where there have been subdivided lots, and increased density of housing, which is appealing to a variety of existing Sunnyside residents and new residents. Cole Klein Builders has worked in this neighborhood for years, and knows the local market and the desirability of this price point and product.

Director Galloway made a motion to approve the sale of three lots under HCAD No. 0761490010003 to Cole Klein Builders for \$73,459, which motion was duly seconded by Director Johnson Rose and and passed with the unanimous vote of the Board.

### b. Consideration and Possible Action to Accept Program Committee Recommendation to Establish a Limited Alternative Land Use Program

Ms. Harris stated that this item will allow staff to institute a limited alternative land use program to provide for sale of four lots to faith-based organizations previously approved under the prior Right of First Refusal (ROFR) Program which concluded in 2017.

After receiving requests from community faith-based organizations who had prior contractual offers from the LARA Board of Directors based on the prior ROFR program, staff

researched the lots labeled "ROFR" in the HLB property database. Staff has also researched the old HLB hard drive to gain valuable insight and records of the lots in question. Based on the prior ROFR program, there are four lots that were fully vetted and approved to be purchased under the prior Right of First Refusal Program, but the faith based organizations did not have the funds at the time to close the purchase. The pastors for these organizations have been periodically calling HLB to see if they can still purchase the lots. Due to these requests, staff has created a revised Alternative Land Use Program to suit the specific needs of the sale of these four lots to those organizations but limits the exposure to reviving the prior ROFR program to prioritize lot development for affordable housing. Staff is recommending that these organizations be able to purchase these four lots because the lots are unable to support affordable housing due to either their close proximity to the churches, or being within the actual church property complex.

Throughout the revision process HLB staff addressed some of the problems with the old ROFR program, such as receiving development plans upfront to ensure that HLB is aware of what the purchaser will be doing with the lot and enforcing compliance throughout the process. Staff has also written into the program a provision which ensures that each entity is providing an added benefit to the community as it relates to housing such as requiring home purchase educational classes be conducted at their facilities.

Director Galloway asked for the square footage of the lots to be sold to the churches. Ms. Harris indicated she did not have those numbers at the moment but would send that information after the meeting.

Director Johnson Rose made a motion to establish the Limited Alternative Land Use Program, which motion was duly seconded by Director Hall and passed with the unanimous vote of the Board.

### c. Consideration and Possible Action to Extend Lot Maintenance Contracts with EA Professional Services, Smartscaping, TransTeq, and AD Construction & Development Through the End of FY 2022 (June 30, 2022)

David Benson introduced himself to the Board and noted that he has been working for HLB since late 2018 in the capacities of communications, procurement, and continuous improvement. He mentioned that in early 2020 HLB instituted a new approach to lot maintenance to treat the lots like we do our own yards. The HLB instituted a four week maintenance cycle on all of the lots that are accessible and employing four contractors instead of two. The two initial contractors remain along with two new contractors through an RFQ process. Mr. Benson stated that after one year this new lot maintenance program is working well and is under budget based on the first six months of the fiscal year. He informed the Board that the lot maintenance contract expires at the end of this month and is recommending that the contract be extended an additional sixteen months until the end of the next fiscal year.

Ron Butler then introduced himself to the Board and stated that he is the Manager for Property Maintenance for the HLB. He noted that there are approximately 500+ lots which equates to about 78 acres scattered over Houston in Acres Homes, Fifth Ward, Settegast, Third Ward and Sunnyside. The four vendors were given specific geographically locations to maintain so that they would not cross paths while conducting their work. Mr. Butler stated that he also has to address the illegal dumping situations on HLB lots before the City issues a notice for clean-up. The other goal is to build community engagement during maintenance of the HLB lots. He then presented several slides to depict the difference of the before and after conditions of certain lots.

Director Johnson Rose left the meeting at 12:55 pm. Director Jackson left the meeting at 1:00 p.m.

Mr. Butler requested assistance to determine where the lots are in Settegast are located.

Director Galloway made a motion to extend the Lot Maintenance Contracts, which motion was duly seconded by Director Hall. Director Collins and Bailey requested copies of the contracts. Mr. Butler stated that he would send them copies of the contracts. Director Galloway requested Mr. Butler to send all of the Board members copies of the contracts.

Chairman Zeis then requested a vote on this motion which was then conducted and the motion passed with the unanimous vote of the Board.

- d. Consideration and Possible Action to Delegate Authority and Direct Staff to Acquire 1.67 Acres at 7811 Harrisburg in the Magnolia Park/East End Area for a Price Not to Exceed \$1.9 Million for the City of Houston's New Home Development Program Under the Auspices of the Amended and Restated Acquisition Agreement with the City of Houston (HCAD #s Listed Below)

Ivan Zapata introduced himself as Manager of Real Estate and Acquisitions for HLB and then gave a brief description of this acquisition of 1.67 acres. He noted that one of the major directives from the Houston Housing Department is to provide inventory for them. Therefore, HLB is actively pursuing properties and in particular, larger tracts in the Complete Communities. This tract is located at 7811 Harrisburg in the east end of Houston and would become the second largest acquisition after the Yellow Cab site which closed on December 31, 2020.

Director Collins asked if there were any environmental issues with this land. Mr. Zapata stated that the due diligence reports including the Phase I environmental have been examined and determined to be satisfactory for development of affordable housing. He further mentioned mentioned that the Housing Department is ready to proceed with closing the acquisition of this tract.

Director Galloway asked who's money will be used to make this acquisition and if 80% of the buildings for this project will be affordable housing for low income families with the other 20% at cost? Mr. Zapata responded that the Housing Department will provide the funds for this purchase. The Housing Department has prepared several scenarios for this development and ultimately it will be the Housing Department that determines the number of affordable units for low income families. Ms. Hayes stated that the affordable units will be reaching those families with 80% of AMI. The majority of units will be affordable low income qualified applicants for the funding source.

Director Cardoza-Oquendo made a motion to acquire the 1.67 acres at 7811 Harrisburg for a price not to exceed \$1.9 Million for the City of Houston's New Home Development Program which motion was seconded by Director Ladet and passed with the majority vote of the Board. Director Galloway voted against passage of this motion.

### XI. Executive Session

The Board did not meet in Executive session during this meeting.

### XII. Action Items from Executive Session.

Director Hall acknowledged the work of the Board during the past eleven months in moving the organization forward during the pandemic. He then welcomed and congratulated the new Board members and hoped to meet each of them in person soon.

Director Galloway then congratulated the new Board members appointed today and looks forward to working with them to further the mission of the HLB.

### **REQUEST FOR BOARD ACTION**

Meeting Date: March 11, 2020

Agenda Item VIII.d.: Consideration and Possible Action to Accept Program Committee and Staff Builder Lot Selection Recommendation for the Sale of Property to Fellowship Missionary Baptist Church Through the HLB Limited Alternative Land Use Program

### ACTION SUMMARY

Approval of this item will allow staff to negotiate and execute the sale of two HLB-owned properties to Fellowship Missionary Baptist Church (Purchaser) under the HLB Limited Alternative Land Use Program (Program).

### **BACKGROUND/OVERVIEW**

Staff presented the Program, which is a revision of the prior Right of First Refusal Program, to the Board on February 11, 2021. The Board approved the Program to move forward. Staff recommends that the Purchaser be able to purchase 0690150050023 – 4429 Brinkley and 0690150050037 – 4501 Brinkley (Lots) under the Program.

The Lots are in the Sunnyside neighborhood and the Purchaser has met the requirement of being deemed an eligible owner of "Adjacent Property" under the Program. For purposes of this Program an "Adjacent Property" is one that shares at least one (1) common property boundary with the applicable HLB Lot (including, without limitation, a common corner point). It has also been determined that these Lots are unable to support affordable housing due to either their close proximity to the church, or being within the actual church property complex. The Purchaser has also met the requirement of maintaining the lots for five consecutive years. Each lot, being 9,900 SF and 8,250 SF, is to be utilized by the Purchaser for the expansion of the previously existing church located on their adjacent land. ### **REQUEST FOR BOARD ACTION**

### Meeting Date: March 11, 2021

Agenda Item VIII.e.: Consideration and Possible Action to Approve Agreements for Real Estate Marketing and Brokerage Services to Be Provided through December 31, 2022

### **ACTION SUMMARY**

Approval of this action item will authorize HLB to execute agreements for real estate marketing and brokerage services with four real estate brokers selected through a competitive procurement process; the agreements are to be through December 31, 2022 and hold to current HLB rates and terms, except for minor administrative changes to contract language to improve coordination and efficiency.

### **BACKGROUND/OVERVIEW**

With HLB's home sales for the City's New Home Development Program expanding in recent years and new development on the horizon, staff initiated a request for qualifications to identify a pool of real estate brokers to help broaden HLB's marketing reach. The real estate professionals proposed for Board approval are to assist HLB in marketing and selling homes to income-qualified buyers.

HLB received seven responses to a request for qualifications issued in September 2020; evaluation of responses was completed in November, Responses were reviewed and evaluated by a four-member committee:

- Courtney Johnson-Rose (HLB Board of Directors)
- Jen Allison (HLB Staff)
- Gonzalo Gonzalez (HLB Staff)
- Darren Blakemore (Houston Community Land Trust Staff)

After initial scoring, the committee conducted virtual interviews with three respondents (TAS Realty Group and Exit Realty 360 were not interviewed as they are current service providers to HLB and already known) in January 2021, eventually selecting four firms to provide real estate marketing and brokerage services:

- TAS Realty Group
- Exit Realty 360
- Womack Development and Investment Realtors
- Walzel Properties

As indicated in the summary above, agreements are to run through December 2022 and generally mirror current commission rates and terms. A copy of the draft template agreement for services is included with this memo.

In addition, to the extent Broker has identified trends, issues or other matters which render continued compliance with the Approved Plan to be contrary to the best interests of Seller, Broker shall identify such matters in its monthly report. To the extent available, such information shall include a brief description of activity in the market and available press coverage of the market and the Property, if any. Based upon such information, Broker's reports shall also include a recommendation as to whether any portion of the Approved Plan should be modified and to the extent modifications are recommended, the specific changes proposed by Broker.

Section 3.5 <u>Costs and Expenses</u>. Unless agreed to by Seller in writing, in advance, Broker shall be obligated to pay all costs and expenses incurred by Broker in the performance of its duties and obligations under this Agreement, including all costs of preparing the Approved Plan and all costs for local and long distance telephone calls, copying, mailings, advertising and signs pursuant to <u>Section 3.3</u> hereof, presentations to prospective purchasers, travel, marketing and entertainment. Seller shall have no obligation to pay any fees or expenses incurred in connection with brochures prepared or otherwise obtained by Broker without first obtaining the consent of Seller as required herein.

Section 3.6 <u>Confidentiality</u>. Broker agrees that any information delivered by Seller to Broker or otherwise acquired by Broker in the performance of its obligations under this Agreement which has not previously been made available to the public by Seller or any other Person prior to its disclosure in violation of this Section 3.6, including without limitation information regarding the Property and Seller, shall be deemed "Confidential Information" for purposes of this Agreement. Except as otherwise required by any applicable law or court order or as authorized or permitted by Seller in each specific instance, Broker shall not disclose or permit the disclosure of any Confidential Information to any Person other than Seller, Seller's counsel and Persons designated by Seller or Seller's counsel, except to the extent reasonably required to carry out the duties of Broker under this Agreement and in each such event, to Persons who agree to use reasonable efforts to keep such information confidential. Broker agrees that it will hereafter execute and deliver to Seller any reasonable separate documentation requested by Seller to evidence Broker's agreement to comply with the terms of this Section with respect to Confidential Information. Broker shall promptly notify Seller of any court order or subpoena requiring disclosure of Confidential Information and in connection therewith, shall cooperate with Seller and Seller's counsel in the appeal or challenge of any such order or subpoena and shall not disclose any Confidential Information pursuant to such order or subpoena until Seller has exhausted any lawful and timely appeal or challenge that Seller elects to file with respect thereto. The provisions and restrictions of this Section shall survive the expiration or early termination of this Agreement.

## ARTICLE 4 LIMITATIONS OF BROKER'S AUTHORITY

Section 4.1 **Broker as Independent Contractor**. Notwithstanding any provision to the contrary contained in this Agreement, Broker expressly acknowledges, confirms and agrees that it is acting, and at all times shall represent that it is acting, as an independent contractor and not as an agent of Seller. Broker has no power or authority to enter into, execute, make or acknowledge any contract, covenant, agreement or representation pertaining to the Property. Broker agrees that in all oral and written communications with prospective purchasers it shall advise such Persons that any and all proposals with respect to the sale of the Property are proposals only and are contingent upon the negotiation and final execution by Seller and by the prospective purchaser of a mutually acceptable and definitive agreement of sale embodying the full terms of the parties' agreement. In addition, Broker acknowledges that any oral and written offer to purchase the Property which is received by Broker shall not be binding upon or enforceable against Seller or create any liability on the part of Seller unless and until Seller accepts such offer and a definitive written agreement of sale incorporating such offer and all other terms of sale is executed by both Seller and a prospective purchaser.

Section 4.2 <u>Property to be Offered Pursuant to Approved Plan Only</u>. Unless otherwise agreed by Seller in writing, the Property shall be offered for sale only at the listing prices set forth in the Approved Plan, for cash, on an "as is" basis. In addition, Seller reserves the right to remove any portion of the Property from the market at any time and from time to time, and in connection therewith, Seller may at any time instruct Broker that any portion of the Property shall not be offered for sale unless Seller subsequently instructs Broker otherwise in writing.

Section 4.3 **Broker Not to Accept Deposits**. Broker shall not accept any earnest money or other deposit in connection with an offer to purchase the Property.

Section 4.4 **Broker Not to Make Representations**. Broker shall not make representations or warranties of any kind, express or implied, concerning the Property, Seller or this Agreement or any matter relating to the Property, Seller or this Agreement without the prior written consent and authorization of Seller in each specific instance.

#### ARTICLE 5 CONSIDERATION

## Section 5.1 Sale Before Expiration of Term.

(a) Seller agrees to pay to Broker a sales commission, calculated as provided in <u>Section 5.4</u> below, if and only if all of the following conditions are satisfied:

(1) prior to the expiration of the Term, a potential third-party purchaser is procured by Broker, Owner or any Co-Broker; and

(2) prior to the expiration of the Term, such potential thirdparty purchaser and Seller enter into a definitive agreement for the sale of the Property, upon terms and conditions satisfactory to Seller in its sole discretion, covering all or any portion of the Property; and

(3) to the extent requested by Seller, Broker complies with its continuing obligations under this Agreement to assist Seller in the sale of the Property, including Seller's due diligence and closing obligations under any definitive written agreement of sale; and

(4) the sale contemplated by such definitive written agreement of sale is closed in accordance with its terms, whether before or after the expiration of the Term, as evidenced by the recordation of the deed or other instrument of transfer contemplated thereby and the actual receipt by Seller of the full purchase price to be paid thereunder for the Property.

(b) If Seller and a prospective purchaser are unable to reach agreement on the terms of a definitive agreement of sale or if a sale of the Property contemplated by any definitive written agreement of sale fails to close for any reason or no reason including a default by Seller, or if under any other circumstances the conditions described in <u>Section 5.1(a)</u> above are not fully satisfied, Broker shall not be entitled to any sales commission, compensation or other consideration. If a potential purchaser defaults under any agreement of sale and as a result thereof, Seller becomes entitled to any earnest money or other deposit, damages or consideration, Broker shall nevertheless not be entitled to receive any portion of such earnest money or other deposit, damages or consideration, it being expressly understood and agreed that Broker's right to compensation is limited to the rights expressly granted in <u>Section 5.1</u> and <u>Section 5.2</u> hereof and is subject to satisfaction of all of the conditions set forth therein.

#### Section 5.2 Sale After Expiration of Term.

(a) Unless this Agreement is terminated as a result of Broker's default hereunder, Seller agrees to pay to Broker a sales commission, calculated as provided in <u>Section</u> <u>5.4</u> below, if and only if all of the following conditions are satisfied:

(1) Within ten days following the expiration or earlier termination of the Term, Broker submits to Seller in writing a list of the names, addresses, telephone numbers and primary contact Person for each Person (limited to a maximum of ten Persons) with whom Broker has had Substantive Negotiations (as hereinafter defined) during the Term with respect to the sale of the Property. Each Person appearing on Brokers list must have been identified previously in a monthly report submitted by Broker as someone with whom discussions regarding the potential sale of the Property were still ongoing and must not be an Excluded Party. For purposes of this Agreement, the term "Substantive Negotiations" shall mean the prospective purchaser shall have toured the Property and made a written bona fide offer for the Property. Provided Broker submits the list described in this Section 5.2(a)(1) within the ten day period described

herein, all persons appropriately identified on Broker's list shall be deemed to be "**Registered Purchasers**"; and

(2) Within 90 days following the expiration of the Term, (A) Seller and a Registered Purchaser shall have entered into a definitive written agreement for the sale of the Property, and (B) the sale contemplated by such written agreement shall have closed, as evidenced by the recordation of the deed or other instrument of transfer contemplated thereby and the actual receipt by Seller of the full purchase price to be paid thereunder for the Property; and

(3) To the extent requested by Seller, Broker continues to assist Seller in the sale of the Property, including Seller's due diligence and closing obligations under such definitive agreement.

(b) Unless all of the conditions described in <u>Section 5.2(a)</u> above are satisfied, Broker shall not be entitled to any commission, compensation or other consideration as a result of any sale of the Property after the expiration of the Term. If a potential purchaser defaults under any definitive agreement of sale described in <u>Section 5.2(a)</u> and as a result thereof, Seller becomes entitled to any earnest money or other deposit, damages or consideration, Broker shall nevertheless not be entitled to receive any portion of such earnest money or other deposit, damages or consideration. Moreover, notwithstanding any provision of this Agreement which may imply the contrary, under no circumstances shall Broker be entitled to any sales commission or other compensation following a termination of this Agreement as a result of a default by Broker hereunder.

Section 5.3 <u>Satisfactory Purchaser</u>. Provided all of the conditions described in <u>Section</u> <u>5.1(a)</u> or <u>Section 5.2(a)</u> of this Agreement, as applicable, are satisfied, the Person who actually purchases the Property in satisfaction of such conditions shall be referred to in this Agreement as a "<u>Satisfactory Purchaser</u>".

## Section 5.4 <u>Commission Calculation</u>.

(a) <u>Seller or Broker Procuring Source of Satisfactory Purchaser</u>. If either Seller or Broker is the sole procuring source of a Satisfactory Purchaser and Broker is entitled to a sales commission hereunder, Broker's sales commission shall be calculated as follows:

6% of the Total Purchase Price

(b) <u>Co-Broker Procuring Source of Purchase</u>. If (1) a Co-Broker or (2) Broker and a Co-Broker are the procuring source of a Satisfactory Purchaser and Broker is entitled to a sales commission hereunder, Broker's sales commission shall be an amount equal to 3% of the Total Purchase Price to Broker and 3% of the Total Purchase Price to Co-Broker, provided, however, (A) Broker shall be entitled to such sales commission only if Broker has entered into a binding co-brokerage agreement pursuant to which Broker has agreed to share the sales commission payable to Broker hereunder with the Co-Broker upon such terms and conditions as Broker and the Co-Broker may agree, and (B) if there is no Co-Broker, Broker's commission shall be 5% of the Total Purchase Price. It is expressly understood and agreed that the co-brokerage agreement described in the preceding sentence is a condition precedent

to Seller's obligation to pay the sales commission described in this <u>Section 5.4(b)</u> and Broker shall not be entitled to the sales commission otherwise provided in this <u>Section 5.4(b)</u> unless it has entered into a co-brokerage agreement providing for payment of at least one-half of the commissions payable hereunder to the Co-Broker. Seller shall have no obligation to pay any commission to any Co-Broker and no Co-Broker shall have any rights hereunder or be deemed to be a third party beneficiary of this Agreement or any provision hereof. Broker agrees to provide Seller with such evidence as Seller may reasonably require to confirm that Broker has entered into the co-brokerage agreements required hereby.

Section 5.5 <u>When Commissions Paid</u>. All sales commission to be paid by Seller to Broker hereunder shall be payable following actual receipt of the Total Purchase Price by Seller and shall be paid in accordance with the priority established under Section 6.1 of the A&D Agreement. Seller shall use reasonable efforts to cause such sales commissions to be paid to Broker at the closing of the sale for which a sales commission is to be paid, simultaneous with receipt of the Total Purchase Price by Seller. In the event Seller is unable to arrange payment in such manner, payment shall be made within five days following actual receipt of the Total Purchase Price by Seller.

Section 5.6 <u>No Other Rights to Compensation</u>. Except as provided in <u>Section 5.1</u>, and <u>Section 5.2</u> of this Agreement, Broker shall not be entitled to any sales commission, compensation or other consideration under this Agreement or otherwise as a result of the sale of the Property. Without limiting the foregoing, Seller shall have no obligation to pay or reimburse Broker for any costs or expenses incurred by Broker in connection with the sale of the Property, including without limitation any taxes, fees or other charges incurred with respect thereto.

Section 5.7 <u>No Leasing Commissions</u>. Broker shall not be entitled to any commissions, compensation or other consideration as a result of any lease entered into by Seller for all or any portion of the Property, regardless of the term of any such lease.

## ARTICLE 6 DEFAULT: TERMINATION

Section 6.1 **Broker's Default**. Broker shall be in default under this Agreement upon the occurrence of any of the following events or circumstances if:

(a) Broker fails to perform any of the duties and obligations of Broker set forth in this Agreement or if Broker fails to comply with any of the other covenants, terms and provisions of this Agreement, as and when required hereby and such failure continues for five days following written notice thereof from Seller to Broker; or

(b) any representation or warranty of Broker set forth herein is determined to be false, misleading or erroneous in any material respect; or

(c) Broker files a voluntary petition in bankruptcy or for arrangement, reorganization or other relief under any chapter of the Federal Bankruptcy Code or any similar federal or state law now or hereafter in effect or if within 60 days after the filing against

Section 6.2 **Remedies for Broker's Default**. If Broker is in default under this Agreement, Seller shall have the right to terminate this Agreement upon notice to Broker and in addition, shall be entitled to exercise all other rights and remedies available to Seller at law or in equity as a result of Broker's default. Any such termination of this Agreement by Seller shall be effective immediately upon written notice to Broker. If Broker is in default hereunder, regardless of whether Seller terminates this Agreement as a result of such default, Broker shall automatically forfeit all rights to commissions, compensation or other amounts payable under this Agreement, regardless of any prior or subsequent sale of the Property or any provision of <u>Article 5</u> hereof to the contrary.

Section 6.3 <u>Termination Without Cause</u>. Either Seller or Broker shall have the right to terminate this Agreement, without cause, upon 30 days written notice to the non-terminating party. If either Seller or Broker terminates this Agreement in accordance with the provisions of this <u>Section 6.3</u>, Broker shall be entitled to receive sales commissions to the extent provided in <u>Section 5.2</u> of this Agreement, but not otherwise.

Section 6.4 **Broker's Obligations Upon Termination**. At such time as this Agreement terminates, whether as a result of Broker's default, a termination pursuant to <u>Section</u> <u>6.3</u> hereof, the expiration of the Term or otherwise, Broker, at Broker's sole cost and expense, shall promptly deliver to Seller all files, proposals, contact lists, marketing information, advertising materials, pamphlets, brochures and other information and documentation in the possession of Broker with respect to the Property. Broker shall be entitled to retain copies of any information which Broker deems reasonably necessary to complete Broker's business records; provided, however, all such information shall be deemed Confidential Information, subject to the provisions of <u>Section 3.6</u> hereof, which survive the expiration and termination of this Agreement.

## ARTICLE 7 INDEMNIFICATION

Section 7.1 **Indemnity**. As a material inducement to Seller to enter into this Agreement, Broker hereby covenants and agrees to indemnify, defend and hold harmless Seller and its officers, directors, employees, trustees, shareholders, partners, principals, agents, parents, subsidiaries, investment managers and other affiliates and representatives, regardless of whether any such Person has been disclosed or remains undisclosed, from and against all claims, demands, causes of action, judgments, damages, costs and expenses (including, without limitation, attorneys' fees and court costs), which relate to, arise out of, or are based upon the failure of Broker to comply with the terms and provisions of this Agreement, including without limitation the following:

(b) The failure of Broker to pay all fees, costs and expenses incurred by Broker in performing its duties and obligations under this Agreement, including all taxes and other charges applicable to such fees, costs and expenses, excluding only those fees, costs and expenses for which Seller is expressly liable under the terms of this Agreement;

(c) Any representation or warranty made by Broker in violation of the terms of this Agreement;

(d) Disclosure of Confidential Information in violation of the terms of this Agreement;

(e) The acceptance by Broker of any earnest money or other deposit with respect to an offer or proposal to purchase the Property; and

Section 7.2 <u>Selection of Counsel</u>. In connection with any matter for which Broker is obligated to indemnify, defend and hold harmless Seller and other Persons pursuant to <u>Section 7.1</u>, Broker shall be entitled to select attorneys to defend such matters, provided such attorneys shall be subject to the prior approval of Seller, such approval not to be unreasonably withheld. Seller agrees to cooperate with Broker and such attorneys in connection with their representation and defense of Seller hereunder. Neither Broker, any attorney selected by Broker and approved by Seller pursuant to this <u>Section 7.2</u>, nor any other Person shall be entitled to settle or compromise any claim covered by <u>Section 7.1</u> without the approval of Seller.

## **REQUEST FOR BOARD ACTION**

Meeting Date: March 11, 2021

# Agenda Item VIII.f.: Consideration and Possible Action to Approve the Proposed HLB FY 2022 Draft Budget for Submittal to the City of Houston

## **ACTION SUMMARY**

Approval of this item will approve HLB's Proposed FY 2022 Draft Budget for submittal to the City of Houston as required by City of Houston requirements for local government corporations. Note this is not the final FY 2022 budget, which is to be brought forward for Board approval before the current fiscal year ends June 30.

## **BACKGROUND/OVERVIEW**

City of Houston Administrative Procedure 2-10 requires all local government corporations created to support City operations or programs to submit a draft budget for the upcoming fiscal year by March of each year to the City's Finance Department. As indicated in the summary above, the draft budget is not the final HLB budget for FY 2022. The final budget is to be presented for Board approval and is likely to include adjustments to the draft budget (note annual reimbursements from the City via the Housing and Community Development Department are not set until October of each year, in the fiscal year's second quarter).

HLB is subject to the City requirements; in response, staff have developed a Proposed HLB FY 2022 Draft Budget that includes anticipated revenue of \$3.98 million to fund \$3.87 million in planned expenditures, leaving a projected one-year surplus of more than \$100,000. Proposed FY 2022 expenditures in the draft budget are down slightly from the \$4.06 million FY 2021 budget approved by the Board in June 2020 for the current fiscal year.

On this memo's final page is a table comparing FY 2021 annualized revenues and expenditures (based on performance to date and projections) to the FY 2021 budget approved by the Board and to the preliminary FY 2022 budget as proposed. The latter is driven by the following assumptions and highlights:

Revenue

- HLB Traditional Program dispositions will decrease from FY 2021 as fewer lots are available for sale due to lack of infrastructure, need for significant clearing of property, and other reasons.
- The City's New Home Development Program (NHDP) anticipates 35 home sales for the fiscal year; lots are to be reimbursed at market value along with the administrative fee per closing.

• Funding from the City of Houston through the Operational Agreement is relatively unchanged from year to year.

## Expenditures

- Staffing levels hold constant from year to year, with 10 full-time positions and one part-time position funded for a total of 10.5 FTEs.
- Legal fees are projected to increase slightly as a result of adding procurement and organizational development legal expertise, along with various property issues that may arise.
- Lot maintenance expenses are expected to decrease from the current fiscal year as reduced inventory yields less area to maintain.
- A planned \$500,000 allocation toward an acquisitions pool for HLB's Home Building Initiative is intended to replenish inventory available for the organization's traditional program for home builders.
- The FY 2022 Draft Budget as proposed also assumes full expenditure of Acquisition and Development Agreement funding in FY 2021, with no new funding allocated to acquisitions under the agreement.
